Figures

1:1	Map of the Northwest Coast showing cultural and geographic divisions	14	2:25	Tsimshian humanoid mask	43
1:2	Regional chronology of the Northwest Coast	16	2:26	Tsimshian totem pole	44
1:3	Artifacts typical of the cultural traditions of the Early Period	20	2:27	Haida horn spoon	44
1:4	The obsidian trade 4000-6000 years ago	23	2:28	Haida grease dish	45
1:5	Artifacts typical of the Middle Period	24	2:29	Tlingit grease dish	45
1:6	Styles of Middle Period harpoon heads	26	2:30	Tlingit bear mask	45
1:7	The projectile point sequence for the lower Fraser region and Gulf Islands	27	3:1	Tsimshian crest carving representing a frog	48
1:8	Artifacts typical of the Late Period	30	3:2	A horn spoon with sexual symbolism	49
2:1	Bone comb with wolf image	34	3:3	Tsimshian crest helmet	50
2:2	Beaver bowl	34	3:4	Chilkat blanket	50
2:3	Appliqued shirt, Haida	35	3:5	The "final exam" on northern Northwest Coast art	51
2:4	Detail of figure 2:3	35	3:6	A raven rattle	52
2:5	Bone or antler carvings	35	3:7	Tobacco mortar	52
2:6	Mountain sheep horn bowl	35	3:8	Base of a spoon of mountain goat horn	53
2:7	Antler figure	36	3:9	The Sechelt image	53
2:8	Horn spoon	36	3:10	Figure at base of totem pole	54
2:9	Antler adze handle	37	3:11	Phallic club	54
2:10	Head of spirit canoe figure	37	3:12	Phallic club	55
2:11	Comb, Strait of Georgia Salish	37	3:13	Stone club	55
2:12	Adze, Georgia Strait—Juan de Fuca Strait	38	3:14	Frontal pole from house at Masset	56
2:13	Handle of Nootka bone club	38	3:15	Small seal figure bowl	57
2:14	Nootkan humanoid mask	38	3:16	Seated human figure bowl	57
2:15	Nootka winter dance headdress	38	3:17	Seated human figure bowl	58
2:16	Tsonoqua mask, Kwakiutl	39	3:18	Stone tobacco mortar	58
2:17	Kwakiutl humanoid mask	40	3:19	Wooden bowl from the northern Northwest Coast	59
2:18	Bella Coola humanoid mask	40	3:20	Detail from an argillite pipe panel	60
2:19	Bella Coola sun mask	40	3:21	Detail from Haida argillite pipe	60
2:20	Mask collected by George Catlin	41	3:22	Double images on a bilateral armature	61
2:21	Bella Bella humanoid mask	41	3:23	Condensed double image on a bilateral armature	61
2:22	Bella Bella settee	42	3:24	Haida chest showing a double image on a bilateral armature	61
2:23	Bella Bella humanoid mask	42	3:25	Soul catcher	61
2:24	Tsimshian frontlet	43			

3:26	Miniature stone "whatzit" from the Gulf Islands	62	6:14	Bone pins	108
3:27	Soul catcher showing the triadic armature	62	6:15	Shamanic art	109
3:28	The copper wealth object	62	6:16	Bone clubs	110
3:29	Illustration of a reciprocal armature	63	6:17	Cache of warrior weapons from the Boardwalk site	111
3:30	Detail from a Haida horn spoon	63	6:18	Miniature antler club	112
3:31	House post showing the bear eating man	63	6:19	Miniature antler club	112
3:32	Haida mortuary pole	64	6:20	Incised concretion	112
3:33	Stone hand maul	65	6:21	Stone pendant	112
3:34	Stone mask from the Tsimshian region	66	6:22	Two views of zoomorphic concretion	113
4:1	Map showing the locations of the Central Coast Salish	68	6:23	Segmented stone	113
4:2	Spirit canoe figures and boards from Puget Sound	71	6:24	Segmented stone	113
4:3	Coast Salish ritualists' rattles	72	6:25	Segmented stone	114
4:4	Sxwayxwey masks	74	6:26	Three views of schist raven pendant	114
4:5	Sxwayxwey masks	76	6:27	Stone club	115
4:6	Wands used with the sxwayxwey mask	77	6:28	Biconical stones	115
4:7	Carving on housepost of Chowitsut at Lummi	79	6:29	Zoomorphic bark shredder	115
4:8	Houseposts at Musqueam	80	6:30	Zoomorphic hafted mauls	116
4:9	House interior at Quamichan	80	6:31	Fluted stone bowl	116
4:10	Exterior houseposts at Quamichan	81	6:32	Zoomorphic stone bowl	117
4:11	Houseposts collected in 1898 at Musqueam	81	6:33	Carved red cedar handle	117
4:12	Houseposts from Musqueam dating to 1898	82	6:34	Bedrock outcrop covered with glyphs	118
4:13	Coast Salish grave monuments	83	6:35	The "Man Who Fell From Heaven" petroglyph	118
4:14	Twelve Coast Salish spindle whorls	85	6:36	Human figure in stone	119
5:1	Basic Conventionalized Rock Art Style	90	6:37	Glyph panel from Ringbolt Island	119
5:2	Basic Conventionalized Rock Art Style	91	6:38	Glyph panel from Ringbolt Island	119
5:3	Classic Conventionalized Rock Art Style	92	7:1	Whalebone pendant resembling a rockfish	121
5:4	Classic Conventionalized Rock Art Style	93	7:2	Anthropomorphic figurine made of antler	124
5:5	Columbia River Conventionalized Rock Art Style	94	7:3	Artifacts from the Anutcix phase	125
5:6	Tsagagl'alal	95	7:4	Decorated objects from Anutcix phase components	126
5:7	Abstract Curvilinear Rock Art Style	95	7:5	Soapstone hammer	127
5:8	Abstract Curvilinear Rock Art Style	96	7:6	Decorated objects from Kwatna phase components	128
5:9	Abstract Rectilinear Rock Art Style	96	7:7	Circular stone from the Koeye River	129
5:10	Naturalistic Rock Art Style	96	7:8	Pecked stone artifacts	129
5:11	Naturalistic Rock Art Style	97	8:1	Map of the Lower Fraser region	132
6:1	Temporal occurrence of selected art objects from the Tsimshian area	100	8:2	Cultural chronology of the Milliken-Esilao locality and the Fraser Delta	133
6:2	Antler handles	103	8:3	Outline of the prehistory of art in the Lower Fraser region	134
6:3	Bone pendants	104	8:4	Developmental period art from Eayem and St. Mungo phases	134
6:4	Fragments of bone bracelets	104	8:5	Art of the St. Mungo phase	135
6:5	Bone pendants	104	8:6	The earliest known sculptures in the round	136
6:6	Slate mirrors	105	8:7	Flat outline carvings in stone of animal figurines	137
6:7	Bone rings	105	8:8	Stone sculptures in the round	138
6:8	Zoomorphic labrets	105	8:9	Miniature death mask carved in sandstone	139
6:9	Copper bracelets	106	8:10	Carved antler tine spoons	140
6:10	Copper wrapped sticks	106			
6:11	Geometric motifs from bone bracelets	107			
6:12	Examples of geometric motifs applied to functional objects	107			
6:13	Bone combs	108			

8:11	Three views of an anthropomorphic atlatl hook	141	10:8	Handle of metal bladed knife	191
8:12	Art of the Locarno Beach phase	141	10:9	Heads of canidae carved on handle on weavers' sword	192
8:13	Slotted antler cylinder decorated with geometric motifs	142	10:10	Sea monster carved in wrap-around fashion on comb	193
8:14	Slotted antler cylinder combining zoomorphic with geometric decoration	142	10:11	Whalebone club head	193
8:15	Fragments of browbands and other wapiti antler artifacts	143	10:12	Wooden club head depicting an owl	193
8:16	Incised and sculptured animals on antler artifacts	144	10:13	Carved wooden spool	193
8:17	Bird forms incised and sculptured in antler	145	10:14	Small bone sculpture	194
8:18	Miniature pestle carved in antler	146	10:15	Small carved human figure with dot and circle design	195
8:19	Anthropomorphic sculptures in antler	146	11:1	Motifs on tools which may represent guardian spirit power	199
8:20	Animal figurines in stone	147	11:2	Fragment of siltstone object	200
8:21	Zoomorphic stone bowl	148	11:3	Artifact showing the tongue	201
8:22	Human head mortar	149	11:4	Antler figure from Sucia Island	201
8:23	Human head broken from a stone bowl	150	11:5	Bowl and pipe suggesting use in shamanic curing ceremonies	202
8:24	The so-called "Marpole Image."	151	11:6	Prehistoric miniature masks	203
8:25	The largest known human figure bowl	152	11:7	Antler pendants from the Garrison site in the San Juan Islands	204
8:26	The smallest human figure bowl	153	11:8	Stone figure from "between Vancouver Island and the Mainland"	204
8:27	Pestle-shaped handmauls	154	11:9	The oldest wood carving known from the Northwest Coast	205
8:28	Fragment of charred wooden board	156			
8:29	Art of the Emery phase	157			
8:30	Art of the Whalen II phase	159			
8:31	Zoomorphically engraved spindle whorl	161			
8:32	Art of the Stselax phase	162			
8:33	Stselax phase blanket pins	164			
8:34	Art of the Historic Period	164			
8:35	Coast Salish spindle whorl and fragmentary artifacts from Stselax decorated in the same style	165			
9:1	The mid-Fraser and Thompson River area	168			
9:2	Incised bi-phallic club	169			
9:3	Antler figurines	170			
9:4	Antler figurine	170			
9:5	Antler figurine	170			
9:6	Anthropomorphic maul	172			
9:7	Zoomorphic ornamental comb of antler	173			
9:8	Bear figurine of siltstone	173			
9:9	Anthropomorphic haft of antler	173			
9:10	End section of a zoomorphic whale bone club	174			
9:11	Birch bark decorated with "tattooed" pattern	177			
9:12	Decorated digging stick handles	178			
9:13	Incised splitting wedge	179			
10:1	Whale fin effigy	184			
10:2	Wooden comb	186			
10:3	Large bag used by whale hunters	187			
10:4	Carved yew wood bowl	188			
10:5	Side of box carved from western red cedar	189			
10:6	Whalebone tool handle	190			
10:7	Human face on the handle of a carving tool	190
