

TABLE OF CONTENTS

ACKNOWLEDGEMENTS	ii
LIST OF FIGURES	v
LIST OF TABLES	vi
I BACKGROUND TO RESEARCH	
Introduction	1
Theoretical Framework	2
Methodology	5
II THE TAHLTAN PEOPLE	
Introduction	9
Traditional Territories	10
Social Organization	11
Subsistence Economy and Trade	12
III HISTORICAL EVENTS IN THE STIKINE RIVER AREA	
Introduction	15
Discovery and the Fur Trade Era	15
The Gold Rush Period	17
Missionary Influences	19
Recent Developments - Opening of the North	20
IV THE ENVIRONMENT	
Physiographic Areas	23
Climate	24
Biogeoclimatic Zones	25
Paleoclimate	27
V THE RESOURCE BASE	
Mammal Resources	29
Reptiles	34
Avian Resources	35
Amphibians	35
Insects	36
Fish Resources	36
Plant Resources	41

VI	TECHNOLOGY OF RESOURCE EXPLOITATION	
	Hunting Techniques	43
	Hunting Implements	46
	Skinning and Butchering Game	47
	Use of Animals for Raw Materials	50
	Hide Processing	51
	Fishing Techniques	60
	Processing of Salmon	63
	Use of Edible Plants	65
	Technological Uses of Plant Resources	67
	Woodworking Tools	68
	Shelters and Other Structures	70
	Methods of Cooking and Preparing Foods	76
	Storage Facilities	78
VII	A SEASONAL MODEL OF TAHLTAN SUBSISTENCE AND SETTLEMENT PATTERNS	
	Introduction	79
	Subsistence Requirements	79
	Resource Attributes	80
	Seasonality and Resource Availability	83
	Technological Efficiency	84
	The Seasonal Round of Subsistence Activities	85
VIII	ECONOMIC STABILITY	
	Fluctuations in Resource Abundance	93
	Strategies for Maintaining Economic Stability	94
IX	ARCHAEOLOGICAL CORRELATES OF SEASONAL SUBSISTENCE STRATEGIES	
	Site Formation Processes	99
	Factors Affecting Visibility of Archaeological Remains	102
	Conclusions	106
	REFERENCES	107
	APPENDIX 1 Bird Species Occuring in the Stikine Plateau Area	115
	APPENDIX 2 Plants Used in Technology	118
	APPENDIX 3 Edible Plants of the Stikine River Area	120
	APPENDIX 4 Maps of Ethnographic Fishing Villages	125
